January Virtue of the Month – Self-Control

“He who is slow to anger is better than the mighty, and he who rules his spirit than he who takes a city.” ~Proverbs 16:32

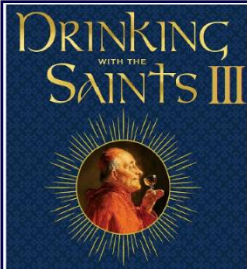

Self-control means joyful mastery over one’s passions and desires. This virtue looks like, trying to stay focused on your work, listening to others while they speak, and being silent instead of saying something mean. It sounds like, “I will try to stay focused on my work,” “I will listen while you are speaking,” and silence instead of saying something mean.

Let Us Pray: *Dear Jesus, Thank You for all the desires You have given me, because they remind me of the desire in my heart that only You can fill! Help me to control my tongue when I am supposed to be silent; my hands when I am supposed to keep them to myself; my eyes when I am supposed to be focused on a particular person or thing; and my ears to listen.*

Catholic Schools Week

St. Gregory Catholic School is gearing up to celebrate National Catholic Schools Week Jan. 26th - Feb. 2nd. The events of the week are part of a nationwide celebration of Catholic education that begins on the last Sunday of January. At St. Gregory , we will be celebrating "Greatness in Catholic Education" by focusing on our school core values of "Greatness in: Faith, Family, Academics, Integrity, and Legacy."

On January 26th, we would like to invite our school families and parishioners to attend the Catholic Schools Week kick-off events at St. Gregory which include a School Open House from 9:00 - 10:00 am, Mass at 10:30 am to Celebrate Catholic Education, and a Fellowship Meal in the parish hall following Mass, sponsored by the school PTO.
