

2025 Mowing List for St. Gregory's Cemetery

Brother Knights, this is an updated list for the upcoming 2025 mowing season at our cemetery. Thanks to you, our cemetery has been complimented several times by many people. Please, once again, if you cannot make your appointed time, please find a substitute. Also, at Memorial Day, we have had an awesome turnout of Brother Knights, as well as others, who work together to make our cemetery beautiful for that weekend. It would be great to keep that happening every year. That all being said, the dates on the list are not set in stone, they can be changed to fit the needs of the crew or due to weather. GOD bless you all.
