Make the season merrier.

THE BEST PREP FOR CHRISTMAS

In this season we are bombarded with images of romantic couples snuggling by the fire. And yet, the stress of preparing for the holidays can often put us on edge with each other, making it easy for distance or hurt to come between us.

It doesn't have to be that way!

Get away for a few hours with the love of your life, and learn some simple, practical ways to grow in intimacy by loving smarter, not harder. It's the best gift you can give each other-- and those around you.
