The month of October is a special month in the calendar of the Church. It is one of two months dedicated to the Blessed Virgin Mary. We honor Mary this month under the title of Our Lady of the Rosary. During this month we reflect back to the time of the battle of Lepanto, when the Christians were under the threat of being conquered by outside forces. They turned to Our Lady through the praying of the rosary to be spared from the impending doom. The intercession of Mary came through for the Christians and they miraculously won the battle. When Mary appeared to the children at Fatima she also revealed her name to them as Our Lady of the Rosary.

10 Ways to Support Her When She's Unexpectedly Expecting (Read the full version at respectlife.org/support-her.)

As a mom who had my first baby in college, I know that an unexpected pregnancy can sometimes bring fear, shame, and doubt. Perhaps one of your friends has become pregnant unexpectedly. I encourage you to support her in her new journey of being a mother. It's okay if you don't know the perfect words to say. Let her know you are there for her, and ask how you can support her. Assist her in lining up practical help. She may not feel she "deserves" to show happiness; reassure her it's okay (*and good*) to be happy. Your support might be the only support she receives. You can make a difference in her life. Will you?

PRO-LIFE CHAIN is a peaceful and prayerful public witness of pro-life individuals standing for 90 minutes praying for our nation and for an end to abortion. It is a visual statement of solidarity by the Christian community that abortion kills children and that the Church supports the sanctity of human life from the moment of conception until natural death.

October Virtue of the Month - Affability

Saint Reflection: Bl. Jordan of Saxony

Bl. Jordan of Saxony was a Dominican friar who, upon St. Dominic's death, became the head of the order. Jordan often went out to preach, and he would come back with many young men who were ready to enter the Dominican life. Jordan's friendly, approachable manner inspired many to give their lives to God, and thus he added great numbers to this new Order of Preachers. **How did Bl. Jordan of Saxony live the virtue of Affability?**

St. Gregory Faith Families

This week, our K-6 grade Faith Families met to learn about the virtue of affability and how Bl. Jordan of Saxony lived this virtue in his own life. The students learned that Bl. Jordan had a tremendous respect for the young and their desire to give themselves to something great and it was through his friendliness that he inspired many to give their lives to God. During their meetings, the students discussed what it means to be a good friend and they also reflected and wrote down ideas on how they can show the virtue of affability.
