

**Mowing list for St. Gregory's Spring and Summer  
2023**

This year we are going to try string trimming every other week. We are going to mow every week as long as the cemetery needs it. We have split the crews up into mowers and string trimmers, and hopefully that will help with getting enough people there to get the job done, also have tried to make it so those who are extremely busy in April and May will not take a shift until the season is over. If you can not make your shift, make sure to get a replacement or trade with another member to insure there is enough people. All dates are tentative in case of rain, or other unforeseen incidents and we know as the summer goes on there will be weeks where no mowing or trimming is needed. In the event of no mowing or trimming needed, crews will just back up one week, not miss a mowing altogether. Formans will determine start times.

**Thank you all for your participation.**
