

# Knights of Columbus – Council 1777

St. Gregory the Great

Committees

Fraternal Year 2026

**If you cannot be present for your assigned duty, please find a replacement or trade with someone else on another committee. The success of the council depends on the full cooperation of all members.**

**Mowing: Chairmen** should line up mower, weed-eaters, and brooms or leaf blowers. **Thursday** evenings have worked well in the past, having the grounds presentable for the weekend.

Remember to pick up any trash as you go along. **Height of 3"** should be utilized when mowing.

**Areas** to tend to: Around the church, around the Parish house, yard north of Father's house, the Knights of Columbus, and around the School grounds (all the way around the school).

**Accountability:** Show up, do your part. It's done faster. Each member call one other member to help speed up the process.

**ALL KNIGHTS:** Some events call for all Knights to be available to help. If a chairman contacts you, please do your part by helping.

**Grand Knight:** Rob Peschel | Cell: 785-562-6913

Contact in the event of death of a Knight or any other relative.
