THE BLESSED VIRGIN MARY

Friday, August 15th is one of the Holy Days of Obligation that we celebrate in the Catholic Church. It is the Solemnity of the Assumption of the Blessed Virgin Mary. It is a celebration of one of the four dogmas or "truths" of the faith concerning the Blessed Virgin Mary.

The first dogma of the faith concerning Mary was the declaration of Mary as the Mother of God, which was defined at the Council of Ephesus in 431. The second dogma was proclaimed in 649 at the Lateran Council. It declared Mary as ever virgin. Meaning she was a virgin prior, during and after the birth of Jesus. The last two dogmas of Mary were declared by Popes. One of the declarations came from Pope Pius IX in 1854 and he declared that Mary from the moment of her conception was preserved from original sin. Pope Pius XII in 1950 declared the fourth dogma that all Catholics must hold "that the Immaculate Mother of God, the ever Virgin Mary, having completed the course of her earthly life, was assumed body and soul into heavenly glory."

Here is a part of the Apostolic Constitution that Pope Pius XII used to proclaim this teaching.

"We must remember especially that, since the second century, the Virgin Mary has been designated by the holy Fathers as the new Eve, who, although subject to the new Adam, is most intimately associated with him in that struggle against the infernal foe which, as foretold in the protoevangelium, would finally result in that most complete victory over the sin and death which are always mentioned together in the writings of the Apostle of the Gentiles. Consequently, just as the glorious resurrection of Christ was an essential part and the final sign of this victory, so that struggle which was common to the Blessed Virgin and her divine Son should be brought to a close by the glorification of her virginal body, for the same Apostle says: 'When this mortal thing hath put on immortality, then shall come to pass the saying that is written: Death is swallowed up in victory.'"

Hence the revered Mother of God, from all eternity joined in a hidden way with Jesus Christ in one and the same decree of predestination, immaculate in her conception, a most perfect virgin in her divine motherhood, the noble associate of the divine Redeemer who has won a complete triumph over sin and its consequences, finally obtained, as the supreme culmination of her privileges, that she should be preserved free from the corruption of the tomb and that, like her own Son, having overcome death, she might be taken up body and soul to the glory of heaven where, as Queen, she sits in splendor at the right hand of her Son, the immortal King of the Ages

Since the universal Church, within which dwells the Spirit of Truth who infallibly directs it toward an ever more perfect knowledge of the revealed truths, has expressed its own belief many times over the course of the centuries, and since the bishops of the entire world are almost unanimously petitioning that the truth of the bodily Assumption of the Blessed Virgin Mary into heaven should be defined as a dogma of divine and Catholic faith—this truth which is based on the Sacred Writings, which is thoroughly rooted in the minds of the faithful, which has been approved in ecclesiastical worship from the most remote times, which is completely in harmony with the other revealed truths, and which has been expounded and explained magnificently in the work, the science, and the wisdom of the theologians—we believe that the moment appointed in the plan of divine providence for the solemn proclamation of this outstanding privilege of the Virgin Mary has already arrived"

~Father Quentin
