

## 2024 Mowing List for St. Gregory's Cemetery

In the week before Memorial Day in 2023, several Knights showed up and made our cemetery look beautiful. It would be great to do that again. Thank you to all who contributed to making this system work. There are a few changes and additions in the assignments, so please take note. If you cannot make your shift, please find a replacement, as it makes it much easier on the crew that shows up. God bless you all!
