School is officially out for summer! Celebrate together and kick off summer as a family. Over the last year we have been offering different events that focus on marriage, family and strengthening relationships. All of these events have been hosted at St. Gregory's. For this next event, we are going to do an at-home activity for you and your family. Follow the link below to sign-up to receive a free kit that includes a summer recipe, campfire activity and gratitude guide. This can be an activity for your family or a group of friends to do together at your home. Be sure to take photos of your evening and send them to us at parishoffice@stgregorychurch.org. We would like to share them with others on our Facebook page and other social media outlets.
