Home Enthronement to the Sacred Heart of Jesus

On June 11th, the Bishops of the United States consecrated our country to the Sacred Heart of Jesus. Archbishop McKnight did not want this to be a one time moment but something that would continue within our Archdiocese. He really would like to see this done within our homes. Consecration or Enthronement to the Sacred Heart of Jesus is something that is also dear to my heart. I have been praying about how to make this an opportunity for everyone in the parish.

After praying about this what I would suggest is to have families volunteer to open up their homes to people that live in their area so that we could join together in groups to do the prayer of Enthronement to the Sacred Heart of Jesus. When thinking about the logistics of this I thought it best to use the natural boundaries of the county and city. I would be looking for a family to host these prayers in each of the townships, towns, and wards of the city of Marysville. I am hoping by coming together it will give me a chance to be apart of the prayer and for us to have fellowship all throughout our two parishes. We would post the names of the homes that will be hosting with a day and time of the Enthronement. We would request an RSVP so each family knows how many people to expect that day. Here are the townships/towns/cities/wards I would be thinking of for hosting:

Townships
Herkimer, Oketo, Balderson, Richland, Logan, Marysville, Franklin, Guittard, Walnut, Elm Creek, Center, Rock

Towns/Cities
Bremen, Herkimer, Oketo, Home City, Beattie, Winifred

City of Marysville
Ward 1, Ward 2, Ward 3, Ward 4

With some of these areas, especially the wards, we may have to offer more than one location. I would like to start with one day/time for each of these for now. If you are not able to join the one in your township/town/city ward you are welcome travel to another one. We can set up more times and places as needed. Please contact the parish office if you are able to host one of these enthronements to the Sacred Heart and include the number of people you would be able to accommodate so we could plan accordingly.

To lead into the Enthronement I would encourage doing a Novena to the Sacred Heart of Jesus over the nine days before the enthronement. Here is one from the USCCB website.

October Virtue of the Month - Trustworthiness

Trustworthiness is a virtue that affects how we interact with other people. When we avoid lying or being untruthful, people know they can trust us. It looks like not sharing important news about a friend until they tell you that you can. It sounds like "I know that she's moving, but I won't tell anyone until she wants me to."

Let us Pray: *Dear Jesus, sometimes, we learn information about someone that not everyone else knows. It's hard to keep it in and not tell everybody else about it. Help us today to practice the virtue to trustworthiness, so that we only share those things that are ours to share. Amen.*
