

## 2026 Mowing List for St. Gregory's Cemetery

Brother Knights, this is an updated list for the upcoming 2026 mowing season at our cemetery. Once again, thanks to all of you our cemetery has been complimented several times by many people. If you cannot make your appointed time with your crew, please find a substitute. It makes it much easier on the rest who show up to work. Also, at Memorial Day, we have had an awesome turn out of Brother Knights, as well as others, who work together to make our cemetery beautiful for that weekend. It would be great to keep that happening every year. That being said, the dates on this list are NOT set in stone, they can be changed to fit the needs of the crew or due to the weather. GOD bless you all!
